

## Mrs. Smith

This is my 5<sup>th</sup> year working at Lewis Elementary and 2nd year teaching Special Ed. I LOVE being a "Lewis Lion"! I earned my Bachelor's degree from Kennesaw University. I have a wonderful husband named John and two wonderful kids, Jacob and Rachel. They are both proud Lewis Lions, my son just graduated from Lewis and is starting middle school at Durham. My daughter is a rising third grader at Lewis. I'm a huge Disney fan and I am excited to work along with Mrs. Thomson who also is a Disney fan. I'm originally from California and I moved to Georgia when I was in middle school and I graduated from North Cobb High School. I am very family oriented and have a big family, who are always doing things together. It is never a quiet moment when we are together, which seems to be all the time! But I wouldn't have it any other way! I can't wait to see how this year unfolds and I am excited to work with each and every student! 😊
